

Jackson Swim Team Sponsorship Information

Thank you for taking the time to consider sponsoring Jackson Swim Team. Jackson Swim Team is an independent comprehensive swim program that offers competitive swimming, swim lessons, a recreational league, and lap swimming. We are the only program of its kind in a 60+ mile radius! The average competitive member participates in at least five regional swim events and puts in countless hours of training.

Who are we?

Jackson Swim Team (JAX) is a recognized USA Swimming Local Swim Club. We are part of the Southeastern Region of USA Swimming which consists of all of Tennessee, all of Alabama, and the Panhandle of Florida. It is supported by volunteers with the purpose and dedication to support and advance the sport of swimming, recruit new athletes to the sport, provide those athletes with the highest quality coaching possible, provide a safe, enjoyable and productive training atmosphere, and help them compete and succeed at the highest level possible. Our professional coaching staff, through the sport of swimming, strives to help young athletes build character, leadership and discipline, and provide them with goal-oriented training and competition. Jackson Swim Team (JAX) is supported by the Jackson Swim Team Association, a public charity under the IRS revenue code 501 (c)(3).

Who is a Competitive Swimmer?

As of 2021, USA Swimming membership totaled 331,206 swimmers, with an average age of 12 years. As of 2014, the average USA Swimming family household income is \$125,000. Swimming is considered the largest participatory sport in the world with more than 2.5 million summer league swimmers in the USA.

Competitive Swimmers come from many athletic backgrounds. The primary motivation for people to participate in swimming is the desire for a new challenge. While many competitors consider themselves racers, *there is a strong commitment among all swimmers to pursue an active and healthy lifestyle.*

JAX competitive swimmers compete in events in Memphis, Nashville, Knoxville, Birmingham, Huntsville, Tupelo, Tunica and other regional cities; and may qualify for national events in places such as Orlando, San Antonio, Atlanta, Seattle and others.

The bottom line is that swimmers and their viewers are an ideal audience.

Why become a Jackson Swim Team Sponsor?

Swimmers provide the ultimate endorsement for advertisers who wish to express their commitment to a lifestyle of sports, health, and fitness.

Based on the direction of your company we feel that the involvement with Jackson Swim Team would provide additional reach and exposure within the community and beyond. The recognition of your brands with the sport of swimming seems to be a perfect fit and provide additional visibility within a group of people who celebrate an active lifestyle.

Jackson Swim Team and its members can provide you with an exceptional promotional opportunity in exchange for your financial sponsorship.

As a sponsor, your company will be promoted through JAX social media. Your corporate logo and/or slogans could appear on our Jackson Swim Team Annual T-shirts which will be worn all around town and beyond, on our website, on select team apparel, and other items used to promote the team. This translates into **repeated exposure of your corporate logo by each member locally, regionally, and beyond**. Visibility between members and spectators translates into a significant number of impressions for the sponsor to potential consumers.

Marketing Opportunities

Your company can become a Sponsor of the Jackson Swim Team in one of several ways.

Financial Sponsor - There are various levels of financial support that your company can provide. It is important to note that our members would not only be promoting your company locally, but also on the regional and national level. Your financial support will help defray the cost of team operations such as: coach training, certifications, continuing education, and travel expenses; equipment purchases; and need-based swimmer financial assistance. All of these items are an integral part of our team's survival.

Product Supporter - Your Company would agree to provide service, equipment, product and/or components at a discount to our members in exchange for marketing exposure in the outdoor health, nutrition, fitness, and athletic market.
